 3. The organisers recommend that all participants wear hard hats but this is optional except for those aged under 13, who must wear safety head gear
 4. If your horse/pony is shod, please make sure it is well shod and your harness and carriage is safe for the drive – please include your own spares kit
 5. Turnouts may retire at any checkpoint should they wish to do so, but they must report to a Marshal. They must also check in with the Secretary before leaving the event
 6. Marshals will be authorised to ask a turnout to withdraw or await veterinary opinion at the start of any check point on the route should they consider it necessary
 7. The organisers will not accept liability for any damage, accident or injury to any animal, person or property

 10. Drivers must keep to the course and strictly observe all signs on the route, and show due consideration for other turnouts and all other users of the park. It is essential that the estate is respected and under no circumstances are turnouts to race or seen to be competing against each other – this is strictly a pleasure drive.
 11. No galloping is allowed on the estate
 12. Entry fees are not returnable if for any reason the turnout is unable to start
 13. Each turnout must carry a mobile phone and have given the number to the secretary before setting out
